

Alpha Surround Mesh

Standard Alpha mesh without plinth
1.8 m high

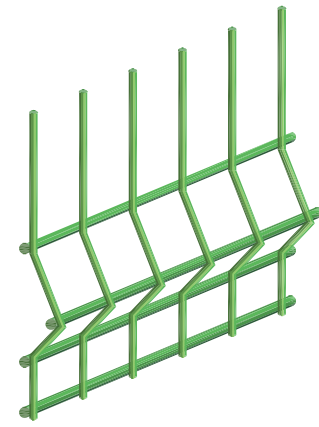

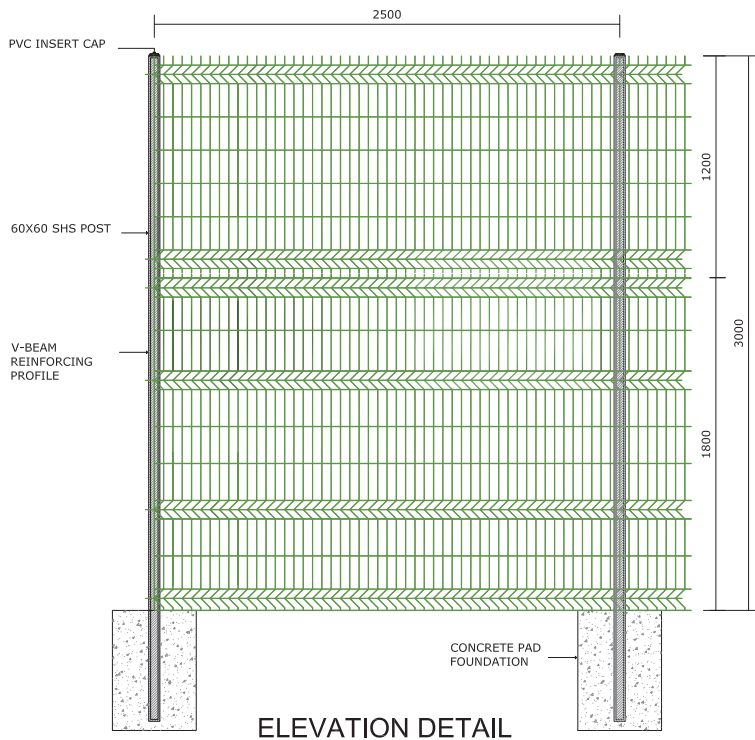

Close up of the corner assembly
where the profile of the Alpha panel
can be seen

Double leaf gates and a single gate
installed side by side.

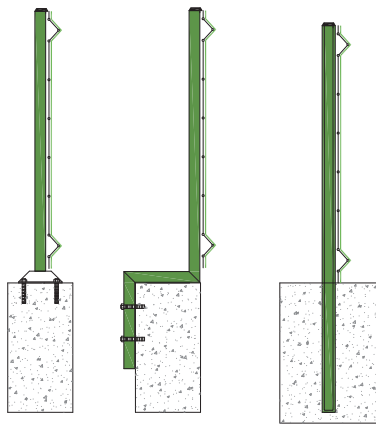

This elegant fencing system provides a strong transparent boundary fence. Welded at each intersection providing good security and rigidity. Galvanised & powder coated to give good protection from corrosion and improve aesthetics.

Powder coating available in different varieties of colours.
